Chemistry Teacher

Description

Job Description:

- Nasser Centre for Science & Technology is looking for a dedicated Chemistry Teacher to join our high school faculty. The ideal candidate will have a deep understanding of chemistry concepts and a passion for teaching and inspiring students.

Responsibilities:

- Develop and deliver interactive chemistry lessons.
- Conduct laboratory experiments and ensure safety protocols are followed.
- Assess student performance through tests, assignments, and lab reports.
- Encourage analytical thinking and problem-solving skills.
- Maintain a disciplined and engaging learning environment.
- Participate in school activities, meetings, and professional development programs.

Requirements:

- Bachelor's degree or higher in Chemistry, Science Education, or a related field.
- 1-3 years of high school teaching experience (or more).
- Knowledge of laboratory safety procedures.
- Strong teaching and communication skills.
