English Teacher

Description

Job Summary:

Nasser Centre for Science & Technology is seeking a dynamic English Teacher to join our high school faculty. The ideal candidate will have strong expertise in English language and literature and the ability to create an engaging learning environment for high school male students.

Responsibilities:

- Plan and deliver engaging English lessons covering grammar, literature, and writing.
- Foster critical reading, writing, and communication skills.
- Guide students in essay writing, public speaking, and creative expression.
- Assess student progress through assignments, tests, and presentations.
- Maintain a structured and interactive classroom environment.
- Participate in faculty meetings, school activities, and professional development.

Requirements:

- Bachelor's degree or higher in English, Literature, Education, or a related field.
- 1-3 years of teaching experience (or more) in a high school setting.
- Excellent communication and classroom management skills.
- Passion for literature, writing, and student development.
