## Mathematics Teacher

### Description

#### Job Description:

- Nasser Centre for Science and Technology is seeking a Mathematics Teacher to join our academic team. This role is essential for delivering high-quality mathematics education, fostering analytical skills, and inspiring students to achieve excellence in the subject. The ideal candidate will have a strong foundation in mathematics, effective teaching skills, and the ability to engage learners through innovative methods.

#### Responsibilities:

- Plan, prepare, and deliver engaging mathematics lessons in line with the curriculum.
- Assess, record, and report on the progress and achievements of students.
- Support students in developing problem-solving, logical reasoning, and critical thinking skills.
- Prepare lesson materials, assignments, and examinations.
- Provide additional support and tutoring to students as required.
- Contribute to curriculum development and participate in academic meetings and activities.

#### Requirements:

- Bachelor's degree in Mathematics, Education, or a related field.
- Strong knowledge of mathematical concepts and pedagogy.
- 2–3 years of teaching experience (school or higher education preferred).
- Excellent classroom management and communication skills.
- Ability to use technology and digital tools effectively in teaching.
- Fluent in English, with strong written and verbal communication skills.
