Science Lab Technician

Description

Job Description:

Nasser Centre for Science and Technology is seeking a motivated and detail-oriented **Science Lab Technician** to join its academic support team. This position is **open to fresh graduates** who are eager to gain practical laboratory experience and support science education in a professional academic environment.

Responsibilities:

- Prepare laboratories for practical classes and experimental activities.
- Set up, operate, and maintain laboratory equipment and instruments.
- Assist instructors during laboratory sessions and demonstrations.
- Ensure proper handling, storage, and disposal of chemicals and laboratory materials.
- Maintain laboratory cleanliness and ensure compliance with health and safety regulations.
- Support basic laboratory experiments, measurements, and record-keeping.
- Report any equipment malfunctions or safety issues to the relevant department.

Qualifications and Skills:

- **Bachelor's degree (BSc) in Chemistry or Biology is mandatory.**
- **Fresh graduates are encouraged to apply.**
- Basic knowledge of laboratory procedures and safety standards.
- Strong organizational and time-management skills.
- Ability to work effectively within a team environment.
- Good communication skills.
- Fluency in English (written and spoken).
